

Scholarship Opportunity for work and study in Canada

Michigan State University's Canadian Studies Center will award multiple scholarships up to \$1,000 during the 2011-2012 academic year. The scholarships are designed to encourage young professionals to learn about Canada, including its contributions and impact in North America and around the world. The program is supported by CN Railways.

CN scholarship applicants must be:

- in good academic standing with a 3.0 GPA or higher
- entering their sophomore or junior year of undergraduate study
- able to participate in a Canada-related research **OR** creative project, internship experience **OR** independent study

Contact the CSC or visit www.canadianstudies.isp.msu.edu/ for more information and an application.

All majors are invited to apply.

Applications are due November 1, 2011.
